

Dr. Namrata Biyani: Educational Leader and Innovator

Dr. Namrata Biyani, CEO of QMAC Abacus, is a dynamic educationist and certified NLP Master Practitioner with over 20 years of experience dedicated to child and teacher development. Her expertise spans neuro-linguistic programming, social-emotional learning, and skill-building programs.

A driving force in Indian education, she has inspired and trained over 15,000+ students nationwide. She is a recognized leader, holding a world record for organizing the largest online Abacus & Skill-Building class. As a Certified National Trainer for the Lions Quest Program and an author of “Life Management for Teenagers,” Dr. Biyani consistently promotes holistic development.

She actively supports the NEP 2020 through nationwide teachers’ training workshops focused on Social & Emotional Learning-based skill development, successfully conducting programs in cities including Jodhpur, Indore, Ujjain, Cuttack and many others.

Dr. Biyani's exceptional contributions have earned her numerous accolades, including “The Real Super Woman 2022 Award,” the “Outstanding Leadership Award” by EGN India, the “Bharat Ki Top 50 Aparajey Mahila Award,” the “Global Icon Award 2025,” and the “National Achievers Award 2025 for excellence in Abacus & Skill Development training.

She is passionately dedicated to empowering educators and shaping young minds with innovation, compassion, and leadership.

Let me know if anything else required.

Thanks & Regards

Dr Namrata Biyani
